

# PALMER How to Order Pens for Palmer Temperature and Pressure Recorders

### 1 Pen Recorder:

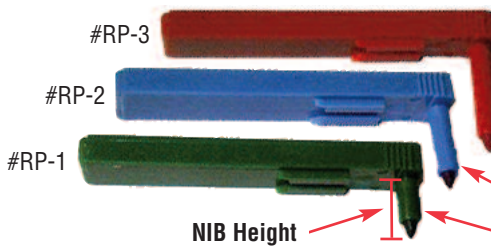

Order Pen: #RP-2, Red #AR-3714-06-6.

### 2 Pen Recorder:

Order Pen #RP-2, Red #AR-3714-06-6 for the TOP pen.

Order Pen #RP-1, Blue #AR-3714-04-6 for the BOTTOM pen.

### 3 Pen Recorder:

Order Pen #RP-3, Red #AR-3714-11-6 for the TOP pen.

Order Pen #RP-2, Blue #AR-3714-09-6 for the MIDDLE pen.

Order Pen #RP-1, Green #AR-3714-03-6 for the BOTTOM pen.

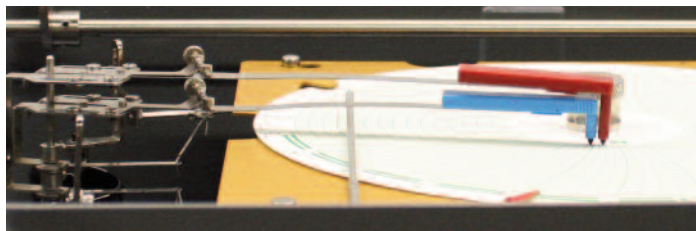

### NIB Heights:

#RP-3 - 0.813"

#RP-2 - 0.533"

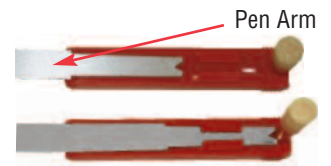

#RP-1 - 0.253"

Standard color pens, shown here, are recommended, however other colors and configurations are available. Please see chart below for ordering information.

The Pens tips or NIBS, are different heights, as shown above left. The Pens are installed on separate Pen Arms which are different lengths and heights. The arms overlap each other enabling them to operate independently of each other.

Pen Arm slides into the groove on underside of pen, shown right, allows adjustment.

### ARC Line:

The ARC Line is the distance between the pen pivot and the pen tip (6-3/8"). This is important when changing a pen in the field to be sure the Top Pen follows the arc line as shown on right. Pen can be adjusted as needed to follow the arc line.

Recorder Pen Part Numbers						
Pen Arm #	Pen Position	Color	Palmer P/N	1 Pen Recorder	2 Pen Recorder	3 Pen Recorder
RP-3 NIB Height 0.813"	TOP Pen on a 3 Pen Recorder	Red	AR-3714-11-6			Std Color
		Black	AR-3714-12-6			
		Green	AR-3714-13-6
