

PALMER

Palmer Circular Chart Recorders Pressure, Temperature & Pressure, Temperature and Differential Pressure

Effective for all orders received as of December 1, 2021:

Manufacturer warrants all Palmer Circular Chart Recorders manufactured by us to be free from defects in material or workmanship under normal use and service. The Manufacturer agrees to repair or replace any product listed above which upon examination is revealed to have been defective due to faulty workmanship or material if returned to our factory, transportation charges prepaid, within the product specific warranty period of ten (10) years from date of purchase. This warranty does not include the DP Recorder differential pressure unit, hydrocarbon filled temperature elements, calibration, clocks, batteries, charts, pens, liquid infiltration, case finish or case window. This warranty is in lieu of all other warranties, expressed or implied and of all obligations or liabilities on its part for damages including but not limited to normal wear and tear or consequential damages following the use or misuse of this or any instrument sold by the Manufacturer. In addition, if the product is tampered with in any way or calibrated in any way other than by the instructions supplied by Palmer Wahl, it will immediately void the warranty. No agent is authorized to assume, for the manufacturer, any liability except as set forth above. Freight cost to return item(s) for evaluation, duties and other fees are not covered by the manufacturer.

Product is automatically registered for warranty by serial number at time of purchase. Serial number must remain attached to product upon return.
